**My Carer - Terms & Conditions**

By allowing a "HA Go" member to scan the QR code in my "HA Go" account on the next page, I authorise the "HA Go" member to be my Carer. I understand that my Carer will be subject to the [Terms and Conditions of "HA Go"](#) who will assist me to manage my affairs with the Hospital Authority (HA) and view my information, data and records, including my personal data, available in my "HA Go" account. The scope of power and access rights of a Carer are defined and listed [here](#) which may be amended or updated by the HA from time to time. This authorization granted to the Carer can be revoked by me at any time on "HA Go".

**Who I Care - Terms & Conditions**

By using the camera appearing on the next page to scan the QR code in the account of a "HA Go" member, I accept to become a Carer of the "HA Go" member. I understand that I can perform tasks for and on behalf of that member, receive notifications related to him/her and view his/her information, data and records available in his/her "HA Go" account subject to the [Terms and Conditions of "HAGo"](#). I also understand that my scope of power and access rights as a Carer as defined and listed [here](#) may be amended or updated by the HA from time to time. I can decline to be or withdraw from being a Carer on "HA Go" at any time.

Carer

Carer is invited successfully !

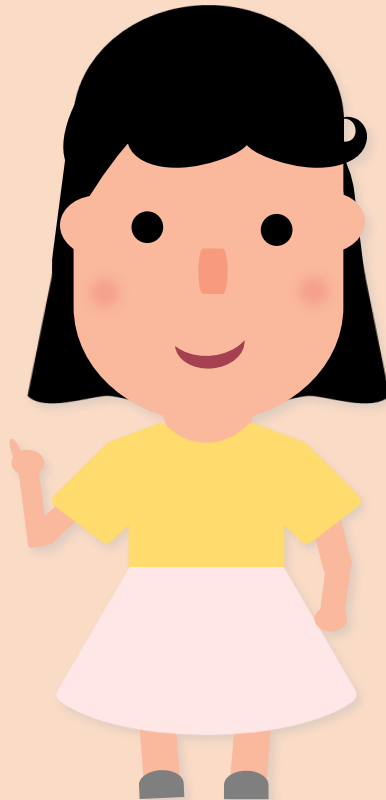

## I can now help my dad to:

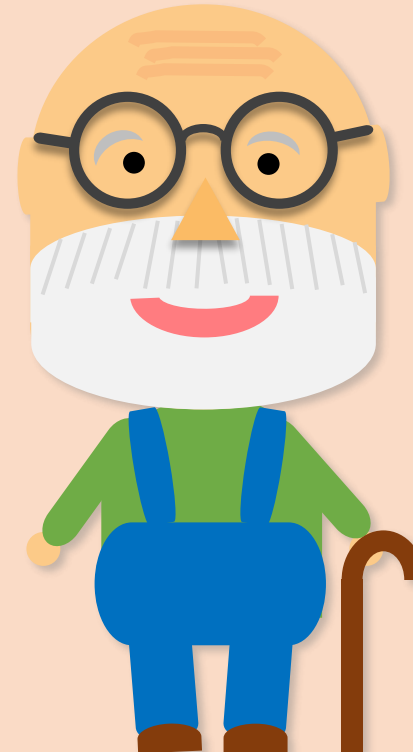

- Remind his upcoming appointments
- Enquire his hospital bills
- View his medication details

**Carer**

**Now I don't have to worry  
missing appointments or  
medication details!**
